Sliding Type ODF Terminal Box

Product name：(SC Simplex 24core)

外箱尺寸（mm） Outer Box Size (mm)	➢ 540*340*300
产品尺寸(mm) Product Size (mm)	➢ 484*295*44.5（without fixer size 440MM）
机柜高度 No.df Rack Spaces	➢ 1U
产品重量（KG） Product Weight (KG)	➢ 3
板材厚度（mm） Plate Thickness(mm)	➢ 1.0
整箱重量(Kg) Gross Weight (KG) / Carton	➢ 17
内装数量 Quantity / Carton	➢ 5

Function:

1) Fixing and protecting the fiber cable.

2) Terminal continuation of optical fiber cable;

3) Adjusting cable function;

4) Protection optical fiber pigtails and fiber.

Product features:

1. Providing a protective connection for fiber cable and pigtails;

2. Insulating the cable metal component and the cable end shell, and easily leading to the grounding.

3. Providing storage space for optical cable terminal placement and the remaining ends of optical fiber, facilitating installation operation.

4.The box body with enough impact strength to be fixed, which is convenient for installation in different occasions.

5.Various installation ways are available, wall mounting or directly place at conduit.
